

ITEC641 Activity 1

What to Submit:

Please submit your **presentation slide** to Assignment submission folder in D2L.

What to Do:

Prepare a **10 min presentation** on a list of leading-edge technologies such as Web 3.0, Blockchain, NFT, and Metaverse. Your presentation needs to include explanation on each of the technologies along with correlations of the set of new technologies.

You'll go through three rounds of preparation to complete the process.

Round #1. Work on the preparation for 30 minutes and get feedbacks from me.

Round #2. Based on the feedbacks you got, continue to prepare the presentation for 15 minutes and get feedbacks from me.

Round 3#. Based on the feedbacks in the round #2, continue to prepare the presentation for 10 minutes.
