

impressed with the determination and competitive play shown. Spring semester will bring about basketball, volleyball, and softball, which the fraternity is looking forward to.

On Saturday, November 16th, the fraternity welcomed four new brothers into the chapter: Kevin Pond, Keith Williams, Chris Gardner and Patrick Thompson. These men made up the members of Delta Class. Theta Chi would like to welcome these into the chapter as they accept their very important role in the future of our Chapter.

To end off the semester, Theta Chi is holding the first ever "Week of Giving" here at Radford University. Beginning on December 1st, the fraternity is going to be at Wal-Mart in Fairlawn collecting toys for the U.S. Marine Corps' Toy-For-Tots drive. We hope this becomes a yearly event so that we can extend our helping hand to the Radford community.

THETA CHI IN THE COMMUNITY

Many improvements this semester have been made between Theta Chi and the Radford Community. During this semester a wide range of activities has taken place. In the middle of October Mr. And Mrs. Shockley, parents of Michael Shockley, made themselves available to come to Radford to teach and certify 10 brothers in CPR. The event went well with lively conversations and demonstrations. The chapter would like to thank Mr. And Mrs. Shockley for coming to help our brothers become better persons.

Later on in the month, Theta Chi helped BACCHUS with

"Take Back the Night." "Take Back the Night" is an annual event that raises awareness to sexual assault on college campuses in the country. Roughly, 20 brothers showed up to this event to help with setup. Brothers passed out ribbons to incoming participants and participated in the candle walk around campus after listening to the speaker. Theta Chi is determined to help and show support for all organizations, which spreads the word for awareness of sexual assault.

The major event of the semester will be "The Week Of Giving." This event is scheduled to take place December 2, through December 7. Brothers will be stationed outside of Radford's Wal-Mart around the clock. We will be taking toy donations, as well as monetary donations. All the toys and money will go towards the US Marines' "Toys for Tots" program. This is the first year that this chapter will try to have this event. We are all working hard to make this an annual event so that we may give back to the Radford Community and show our support for under privileged children.

The Iota Zeta Chapter of Theta Chi will continue to pledge our support to helping all areas of our campus and community.

New members (L to R):
Patrick Thompson, Keith Williams,
Kevin Pond and Chris Gardener

NEW MEMBERS OF THETA CHI

The brothers of Theta Chi are proud to welcome the members of the Delta Pledge Class to the Iota Zeta Family. While Fall Semester pledge classes are smaller than those in the Spring, we feel that we have acquired a unique group of gentlemen who will greatly benefit our chapter. The members of the Delta Pledge Class are as follows:

-Christopher Gardner:
Biology Major with a minor in Chemistry.

-Kevin Pond: Double Major in French and Pre-Med, as well as 3rd Lieutenant for Radford's EMS.

-Keith Williams:
Interdisciplinary Studies with a concentration in Special Education

-Patrick Thompson: Major in Political Science.

We are happy to welcome our new members into the Iota Zeta family and we wish them the best of luck.

BROTHERHOOD SPOTLIGHT: JASON GROGG

Jason Grogg is without a doubt one of the busiest students at Radford University right now. It is one thing to be president of a fra-
